16 August 2013

Ms Sally Cheah-Johnson
Acting Principal
John Monash Science School
PO Box 8016
Monash University VIC 3800

Dear Ms Cheah-Johnson

Congratulations on being chosen as the host for 11th International Student Science Fair! It gives me great pleasure to endorse fully John Monash Science School’s role in hosting such an important event.

Science is a truly global enterprise which begins with science education. I hope the event comes up with ideas on how to teach science in stimulating and inspiring ways to the current generation of students.

All the very best for a successful event in 2015.

Yours sincerely
